The Fourth Sunday of Easter

PEACE BE WITH YOU

These are the very first words of Our Risen Lord to the Apostles when He appeared to them on the evening of the First Easter. *Peace be with you!* Our Lord never used that expression in greeting anyone during the time of His public life. When he raised the daughter of Jairus from the dead he did not say, *Peace be with you*. When He fed the five thousand, He did not say, *Peace be with you*. No, that greeting would only be given after His passion, death, and holy resurrection. The peace Our Lord brings is the peace that follows the defeat of darkness, evil, and death.

Twenty centuries have passed since Our Lord made this most precious gift to humanity. On the night of His holy nativity the angels sang, "*Peace to men of good will.*" Peace is the seal of Christ. It is not just one of His many gifts; it is, in a certain way, His own gift. When our Lord first appeared on that unforgettable night in Bethlehem, the angels proclaimed peace. On another unforgettable night, the last that he spent on earth, the sweet night of the Institution of the Blessed Eucharist, Our Lord left peace to His loved ones as a testament of His love, *Peace I leave you, my peace I give to you*.

In her Liturgy, Holy Church reminds us of this great gift. At Holy Mass we are bidden, *Go in peace*. The newly baptized are bidden, *Go in Peace*. Those washed of their sins in the Sacrament of Penance are bidden *Go in Peace*.

Our Lord's peace is different from that of the world. The world counterfeits everything but it cannot counterfeit peace. It may represent joy; the world's happiness is always artificial. The world counterfeits wisdom, dazzling the ignorant with a worldly and vain knowledge. The world counterfeits love, giving this sacred name to brute passion. The world is the child of satan, the father of lies, and counterfeits and falsifies everything.

SPRING AT ST. PAUL THE APOSTLE

We remind you that our little ones will be receiving First Holy Communion on Saturday, May 1st. They will participate in the May Crowning on Sunday, May 9th after the 10.30AM Mass. On that day they will be enrolled in the Brown Scapular of Our Lady of Mount Carmel.

Our Confirmation students will be making their Confirmation on Saturday, May 22nd.

Please see elsewhere in the Bulletin information about our Annual Communion Breakfast sponsored by the Marian Guild and the Knights of Columbus. The Guild members and the Knights and Squires will attend the 10:30 Mass and the Breakfast will immediately follow the Mass. Our guest celebrant for the Mass and speaker at the Communion Breakfast is Father John Crozier who was ordained a priest in June of 2020. We had hoped that he would have been our guest for the Communion Breakfast in 2020, but the Covid-19 made that an impossibility. Father Crozier worked here at St. Paul's in the summers of 2013 and 2014 while he was doing his seminary studies. We welcome Father Crozier in the charity of Christ.

In Jesus and Mary,
Monsignor James F. Pereda

MEMORANDUM

To: All Clergy and Laity of the Diocese of Rockville Centre
From: Lisa Honkanen, M.D., Director of the Office of Human Life, Family & Bioethics
Re: Moral Questions Regarding the New COVID-19 Vaccines (Update)
Date: March 3rd, 2021

As doses of the new COVID-19 vaccines, under FDA emergency use authorization, have begun to be administered to people in our country, a number of questions have arisen regarding the morality of accepting the new vaccines based on the link to abortion in their development and production.

The United States Conference of Catholic Bishops (USCCB) has released a memorandum, entitled *Moral Considerations Regarding the New COVID-19 Vaccines*. This document was authored by Bishop Kevin C. Rhoades, Chairman, Committee on Doctrine, and Archbishop Joseph F. Naumann, Chairman, Committee on Pro-Life Activities. A copy is attached to this memo, and the original may be found at www.usccb.org/moralconsiderations-covid-vaccines.

In addition, the National Catholic Bioethics Center has released its own memorandum, entitled *Points to Consider on the Use of COVID-19 Vaccines*. A copy of this memo is also attached, and the original may be found at www.ncbcenter.org.

This memorandum is meant to give a very simple and general explanation of the morality of using the new COVID-19 vaccines regarding their remote connection to abortion. This memo does not address the personal decision of an individual as to whether to be vaccinated or not. For a more comprehensive Catholic moral analysis of the use of the new vaccines, we encourage you to read both memoranda from the USCCB and the NCBC, as well as going to the website of the Office of Human Life, Family and Bioethics of the Diocese of Rockville Centre for more information which will be updated periodically: www.drvcclife.org or www.vaccinebioethics.com

Ideally, a vaccine will have no connection at any stage of development or production with the use of cell lines initially derived from an aborted fetus. Unfortunately, none of the four COVID-19 vaccines either already or soon-to-be available to the public meets this criterion. The Pfizer and Moderna vaccines, using mRNA technology, do NOT use morally compromised cell lines in the design, development, or production of the vaccine. A confirmatory test, however, employing a cell line connected to abortion was performed on both these vaccines. Thus, while neither vaccine is completely free from any connection to abortion, in this case the connection to the initial evil of abortion is very remote and ended. In contrast, the Johnson & Johnson and AstraZeneca vaccines, using viral vector technology, are more morally compromised because they rely on cell lines produced from a past abortion in the design, development and production stages of that vaccine as well as in a confirmatory test. Therefore, their connection to abortion, albeit remote, is both greater and on-going.

Consequently, on moral grounds related to their connection to the evil of abortion, it is recommended that, of the alternatives available now or in the very near future, **the Pfizer and Moderna vaccines are preferred to the Johnson & Johnson and AstraZeneca vaccines.**

Both the USCCB memo and the NCBC memo concur that, *for grave reasons, it can be morally permissible for Catholics to receive a vaccine remotely connected to the evil of abortion if there are no reasonable alternatives available and they make known their objection to the use of morally compromised cell lines.* Indeed, vaccination under these circumstances may be viewed as an act of self-love and charity towards one's neighbor in limiting a serious infectious disease. However, it should be noted that there is no moral obligation to vaccinate.
