FIFTH SUNDAY IN ORDINARY TIME

FIFTH SUNDAY AFTER PENTECOST

### SAINT BLAISE DAY BLESSING OF THROATS

On Thursday of last week, we celebrated the feast of St. Blaise. He was an Armenian Bishop and Martyr who gave his life for Our Lord in the Third Century and immediately after his death was invoked to be a helper and intercessor in ailments of the throat. He is one of the Fourteen Holy Helpers, and we invoke his blessing to help us in throat and respiratory illness particularly during these days of Covid.

After all the Masses this weekend the blessing of the throats will be administered to all who would like to receive it.

### THE APPARITION OF OUR LADY AT LOURDES

On Friday of this week we will commemorate the 164<sup>th</sup> anniversary of Our Blessed Mother's apparition to St. Bernadette Soubirous at Lourdes. The late Blessed Pope John Paul II also proclaimed that day would forever be the World Day of the Sick. For our meditation for today I would like to speak of both topics.

At the time of the apparition of Our Lady in 1858, Bernadette was 14 years old. She could neither read nor write nor had she made her First Holy Communion. She was from a destitute family and suffered terribly from asthma. But before time began, God had chosen her to be his instrument to make known His great love and mercy for all the world, particularly for those ensnared in the bonds of sin.

Our Lady appeared in a dirty, dank hole, a stone grotto which the locals called the *pigs' shelter*. Our Lady was clothed in a dazzling white dress girded in blue. On her feet there were yellow roses. On March 25, 1858, the Feast of the Annunciation, the Lady revealed herself by telling Bernadette, *I am the Immaculate Conception (que soy era immaculada concepciou)*. That would be the last time that Bernadette would see Our Lady in this world. Only four years previously Blessed Pope Pius IX had proclaimed the dogma of the Immaculate Conception which taught that Our Lady had been immaculately conceived in the womb of her mother, receiving the saving grace of her Son in anticipation of her divine motherhood. Interestingly, Our Lady did not speak French during the apparitions but the dialect proper to the border region of France and Spain. This dialect is no longer widely spoken. When heard, the dialect resembles modern Portuguese. St. Bernadette was unable to speak or understand French and so Our Lady spoke her dialect.

During the apparitions (of which there were 15 lasting from February 11, 1858, through March 25, 1858) Our Lady made known that she wished a Church to be built at the place where she appeared where the people could come in procession. She also revealed the little stream which became a flowing torrent of which she said the people should drink the water. (As we know many not only drink of the water but they even bathe in the waters at Lourdes). She told Bernadette that she would make her happy, *not in this world but in the next*.

Today over six million people come to Lourdes each year to find healing in mind, body, and soul. In the grotto at Lourdes where Our Lady appeared is a lovely statue of the Virgin Mary based upon St. Bernadette's description. Many years after the apparition, St. Bernadette was permitted to return to the grotto (although her identity was unknown) and when asked if the statue resembled Our Lady, St. Bernadette responded, *not in the least. The Lady was much more beautiful*. The statue is a magnificent piece of artwork executed by the famous sculptor from Lyons, Jean Fabisch. Nevertheless St. Bernadette was profoundly disappointed in the work for she said Our Lady was both younger and much more beautiful than the statue makes her out to be.

Because so many of the sick have visited Lourdes it is good for us today to consider sickness in the life of the Christian. The sick person is called in a unique way to give witness to the Crucified. In other words, the sick person is someone who knows that the world is filled with suffering, who knows that Love has triumphed over everything, over all absurdity and every assault from death. The sick person is one who knows, in the Light of the Resurrection, that glory radiates from the place of suffering, of agony accepted with Christ. The sick person is invited by Our Lord to join Him in the redemption of the world. When suffering is accepted for the sake of Christ it brings many graces to the suffering person and to the world. No wonder the saints tell us that the prayers of the Sick are the most powerful. It is because the Sick are united to Our Lord in a special way.

At Lourdes the Sick are treated with great love and respect. They are all *VIPs* in a manner of speaking. And so, to our sick parishioners, may ask you to offer your sufferings to Our Lord for the sake of your families and for the needs of the Universal Church and for the parish.

*In Jesus and Mary,  
Monsignor James F. Pereda*

## New Covid Protocols

The Governor of New York State has included houses of worship in her recent directives. Therefore, since the Church does not require parishioners to present proof of vaccination in order to worship God, we ask that all parishioners (two years of age and older) comply with the requirement to wear masks when participating in any activities on parish grounds. This State requirement is currently in effect through January 15th, 2022. We will continue to adapt accordingly as new information becomes available. Your patience and Christian charity towards one another during this difficult time is appreciated.

## The Sacred Body of Christ-Holy Communion

Recently, a consecrated host, Holy Communion, the Body of Christ. was found on the floor of the Church.

This is NOT the first time this has occurred. Consecrated hosts have been found tucked into the hymnals, missalettes, bulletins, book holders and pew cushions.

**Deliberately desecrating the Body of Christ is a sin of great consequence.**

Please, if you accidentally drop the host or see someone drop a host, “hide” the host, or not consume it, PLEASE notify one of the ushers, priests, deacon or our sacristan.
